by **LUIS MEDIERO**

President&Founder

**REGISTRO PROFESIONAL
DE TENIS**

**TENNIS IS SPAIN
WE TRUST**

DIRECTED PERSONALLY BY:

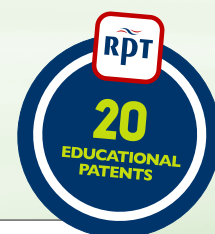

Luis Mediero is being considered as one of the 10 most influential people in the education of coaches worldwide, and one of the key promoters in the success and development of Spanish tennis. **Mediero founded the Registro Profesional de Tenis in 1989**, as President of the RPT, he has placed the organisation as a world leader dedicated to offering programmes and training, international certification and services to tennis professionals worldwide. The RPT currently has **more than 26.400 qualified coaches in 130 countries around the world**, and more than **8.000 certified coaches in Spain**.

The RPT training courses and qualifications are endorsed and recognized by the **Royal Spanish Tennis Federation - RFET**. In addition, the RPT has become the largest and oldest promoter of Junior Tennis in Spain, annually organizing +60 tournaments throughout the national geography in the U12, U14, U16 and U18 categories, through the **National Circuit RPT - MARCA**, that since 1996 in which Juan Carlos Ferrero won the first edition, more than 40,000 players have participated. This Circuit organized with the support of the RFET has been recognized as a fundamental pillar in the development of our tennis.

In his **+40 year professional career**, **Mediero has directed courses, clinics and conferences in more than 80 countries**, he has published **9 books, 24 videos and 22 manuals, 20 cd's, 30 dvd's**, and has published hundreds of national and international articles.

As founder and President of the International Coaches Institute, he has developed this culture, philosophy and methodology of training and education to other sports, which operate across his respective Professional businesses: **Padel** (RPP); **Golf** (RPG); **Fitness** (RPF); **Spa** (RPS), with over 100.000 sporting coaches trained. He has also developed the **Corporate Training** programme whereby the secrets of sport are applied to the world of corporate business, with the purpose of offering different ideas and systems both theoretically and practically to enable executives to reach the maximum performance, in which more than 15.000 professionals, managers and top executives have participated

Mediero has an incomparable career with 8 Masters Professional qualifications and more than 150 certificates in different sectors, which have turned him into a **genuine entrepreneur in the sports industry**, with 20 patented programs in the development of people and athletes, among which is TETAFIME, with 4 interconnected pillars: TE-Technical, TA-Tactical, FI-Physical and ME-Mental to obtain the Ideal State of Competition, for the development of coaches and players of any sex, age, skill and level of play.
